

A-PAK BIOFLOOR CLEANER CONCENTRATE

A-Pak BioFloor Cleaner is an employee-safe Bio-floor treatment that continues to clean even when you are away. It deep cleans on the microscopic level where degreasers can't. It restores and maintains floor traction for a safe work environment. A-Pak BioFloor Cleaner reduces kitchen malodor and the no-rinse formula saves time.

DIRECTIONS FOR USE

Directions for Use:

Floor - add 1 pump of A-Pak BioFloor Active Cleaner Concentrate to mop bucket. Fill bucket with water. Mop floor and allow to air dry. For heavy soiled floors, add 3 pumps of A-Pak BioFloor Active Cleaner Concentrate to mop bucket. Apply to floor with scrub brush. Mop residue and allow to air dry.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
