

# BRITE

## ACID BATHROOM CLEANER

Brite is specifically developed for cleaning and daily maintenance of all bathroom hard surfaces such as tubs, tile, shower stalls, shower curtains, bathroom sinks, plumbing fixtures, and tile floors. This unique acid based, non-phosphated formulation makes it the housekeeping product of choice for all bathroom cleaning, especially hard water deposits. Brite is biodegradable, highly concentrated for economical usage, and suitable for all washable hard surfaces.

### DIRECTIONS FOR USE

#### Directions for Use:

Product may be dispensed into spray bottles or mop buckets. Diluted in spray bottles, it becomes the ideal product for spray cleaning of bathroom fixtures and touch-ups of sinks and counter tops during housekeeping. Dilutions may vary according to the severity of soil, type of surface to be cleaned, cleaning method used, and other factors.

*\*Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
