

LEGEND CONCENTRATED LAUNDRY PRESPRAY AND SOAK

Legend is a liquid pre-spray and soaking agent that removes tough soils and stains as no other can. Its special combination of surface-active agents, mild alkalis and water-soluble solvents acts quickly to dissolve grease and grime. This product may be used on cotton, cotton/polyester blends, nylon, acrylics, wool, rayon, and other fabrics safely. It removes oil, tar, grease, catsup, gravy, berry, tea, coffee, milk, butter, carbon ash, soda, some wood stains and varnish, and many other soils. Due to its high degree of active ingredients, it may be diluted for pre-spray as well as soaking at economical costs.

DIRECTIONS FOR USE

Directions for Use:

PRESPRAY - Use straight or diluted: 1-3 oz. per gallon of water. Spray spots on dry fabric to saturation. Agitate heavily soiled areas with a soft brush or by rubbing fabric together. Place in washer and launder as usual. Repeat if necessary before drying.

SOAKING - Dilute 4-10 oz. per gallon of water. Place soiled articles in warm solution and soak for 30 minutes to several hours. Wring out excess solution and launder as usual. Repeat if necessary before drying.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
