

READY BIOACTIVE FLOOR CLEANER

ACS READY BIOACTIVE FLOOR CLEANER is an employee-safe Bio-floor treatment that continues to clean even when you are away. It deep cleans on the microscopic level where degreasers can't. It restores and maintains floor traction for a safe work environment. It reduces kitchen malodor, and the no-rinse formula saves time.

DIRECTIONS FOR USE

Directions for Use:

Use this product every day to clean the floor and to keep tile and grout free from dirt and food. Wipe up spills and sweep debris from floor surface. Apply solution to floor surface using a wet mop. Use deck brush to scrub heavily soiled areas. Clean and mop area. No rinsing necessary. Excess can be poured into floor drains to maintain odors and drainage.

KEEP FROM FREEZING

Usage: Pour direct from box into measuring cup and then into mop bucket filled with fresh water. Fill measuring cup full for heavily soiled floors. Fill measuring cup half-full for light soil.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
