

# READY RESTROOM CLEANER

ACS READY RESTROOM CLEANER is an alkaline, non-corrosive liquid. It is specifically developed for cleaning and daily maintenance of all bathroom hard surfaces such as tubs, tile, shower stalls, shower curtains, bathroom sinks, plumbing fixtures, tile floors and all cultured marble surfaces. The unique nonacid, non-phosphated formulation makes it the housekeeping product of choice for all bathroom cleaning. This product is biodegradable and suitable for all washable hard surfaces.

## DIRECTIONS FOR USE

### Directions for Use:

ACS READY RESTROOM CLEANER may be dispensed into spray bottles or mop buckets. Used in spray bottles, it becomes the ideal product for spray cleaning of bathroom fixtures and touch-ups of sinks and counter tops. Use flip cap spout to squirt Ready Restroom Cleaner into toilets and urinals.

Usage: No mixing required. Product is formulated to use direct from box. If greater economies are desired, product can be diluted with up to 50% water.

*\*Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
