

SOLID GOLD Premium Hand Dishwash

Solid Gold is a rich mixture of emulsifiers, natural degreasers, and wetting agents designed to remove kitchen soils from dishes, glasses, pots, pans, and utensils. It removes soils and holds it in suspension for streak-free rinsing. A carefully blended product to insure mildness on hands, and concentrated to allow longer use before changing of wash water. Pleasant lemon fragrance.

DIRECTIONS FOR USE

Directions for Use:

Scrape excess soils from kitchenware. Prepare a sink with a solution of warm to hot water and add detergent at a rate of 1-2 oz. per 10 gallons of water. Place kitchen ware into sink and wash. Rinse with clear water. Sanitize with recommended sanitizer. Place dishes aside to dry. Heavy soils may require use of more detergent and a longer soaking time.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
