

# ULTRA SUDS

Ultra Suds is a highly concentrated surfactant based formula. This versatile product is concentrated enough to be used as an added booster with Ultra Break or alone as a superior low alkaline laundry detergent. Ultra Suds is designed to provide optimum results when used in a routine laundry program.

## DIRECTIONS FOR USE

### Directions for Use:

Use Dilution: Concentration varies due to environmental conditions and load size. Your chemical specialist will adjust dosage to meet your cleaning requirements. All chemicals will be injected via automatic dispenser. 1) Pre-sort laundry prior to wash. 2) Pre-soak and/or pre-spot laundry when necessary. 3) Place proper amount of soiled linen into laundry machine. 4) In wash cycle, inject Ultra Suds directly from chemical container. 5) When bleaching, inject Sodium Hypochlorite or Ultra Oxy into the laundry machine directly from the chemical container. 6) When souring and softening, inject Ultra Sour/Soft, or Ultra Sour and Ultra Soft directly from the chemical container. A final pH of 5.5-6.5 is recommended for the linen.

*\*Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
