

HYPER

Hydrogen Peroxide Cleaner

HYPER is a Hydrogen Peroxide based cleaner and brightener formulated for safe and effective use on all types of surfaces. Can be used as a general, all-purpose cleaner to remove food soils and daily grime. The oxidizing properties of the peroxide will safely remove stains from food prep surfaces and floor grout. Whitens discolored surfaces as well as brightening colored items. Neutralizes unpleasant odors.

DIRECTIONS FOR USE

Due to various application methods and soil conditions, the following dilutions are given as a guideline. Experiment to find the most effective and economical dilution for each application.

LIGHT SOIL: For daily cleaning, scrubbing, and use on finished floors, use 1 ounce per gallon of water.

MEDIUM SOIL: For general cleaning and floors, use 2 ounces per gallon of water.

HEAVY SOIL: Use 8-12 ounces per gallon of water.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
