## ALL TEMP Machine Detergent

ALL TEMP is a liquid chlorinated mechanical dishwash detergent with a high concentration of cleaning components. Its balanced, chlorine-fortified formulation in ready-to-wash liquid form, gives each dish a balanced chemical attack on soil. Because it's chlorinated, ALL TEMP provides control of food stains and protein soils, good rinsability and eliminates odor problems. It is especially versatile as it works well in high or low temperature warewashing applications.

### DIRECTIONS FOR USE

USE DILUTION: Concentration varies due to environmental conditions. Your sanitation specialist will properly adjust product concentration to meet your needs.

FOR TEMPERATURE WASHING:

1. Pre-flush and/or scrape dishes before washing.
2. Rack dishes properly. Place dishes in machine.
3. Wash using this product for temperature washing.
4. In rinse cycle, use a recommended rinse additive.
5. Sanitize using a recommended sanitizer. Test using chlorine test papers or a liquid chlorine test kit.
6. Allow dishes to air dry.

\*KEEP FROM FREEZING\*

*\*Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
