

ACS AP CLEANER WITH BLEACH

AP CLEANER with BLEACH removes ugly stains and kills mold & mildew that cause them. It delivers a powerful clean without scrubbing by penetrating and lifting off soap scum to kill mildew lurking below the surface. Safe to use on surfaces such as: glazed & unglazed ceramic tile, grout, vinyl, fiberglass & plastic, and won't leave a dull residue.

DIRECTIONS FOR USE

Directions for use: Spray directly on surfaces to be cleaned. After stains disappear, rinse well. Rinse immediately after use on rubber, vinyl and items such as shower curtains. To disinfect and kill mold and mildew on hard, nonporous surfaces, spray surface until thoroughly wet, let stand for 5 minutes, rinse. Avoid use on wood, painted surfaces or fabric. Avoid prolonged contact with metal or old porcelain.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
