

D²

Dumpster & Dock Cleaner / Deodorizer

D² is a Bioactive cleaner that digests oils, grease, fats, and other organic matter. Simply connect the hose end sprayer to a garden hose for fast and effective application. D² is automatically dispensed - no measuring required. Long lasting fragrance provides immediate odor coverage. Use as necessary to control odors and to clean loading areas.

DIRECTIONS FOR USE

DIRECTIONS FOR USE:

Spray Product: Connect hose end sprayer to D² concentrate bottle, then attach to a garden hose. Pull lever to spray solution. D² will automatically dispense at the correct dilution.

For Trash Cans & Dock Areas: Remove trash and loose debris. Spray D² into and on trash cans. Allow trash can to air dry. Spray down loading dock, concrete, and other hard surfaces. Allow to air dry. Do not rinse.

For Dumpsters: Spray into and around the dumpster. Spray dumpster first when empty. Spray when dumpster is 1/3 full, and again when dumpster is 2/3 full. Repeat each time dumpster is empty.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
