FLATWARE PRESOAK

FLATWARE PRESOAK is designed specifically for pre-soaking silver and stainless steel utensils. Its excellent soil penetrating and softening abilities quickly loosen dried-on or hardened foods. When using it, silverware comes out clean after each single trip through the dish machine.

DIRECTIONS FOR USE

Directions for Use:

In a plastic pan, dissolve 1 ounce per 2 gallons of water. Place stainless ware and/or silverware in solution for several minutes. Remove, rinse and wash in dish machine in normal fashion.

**Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
