LAUNDRY OXYGEN BLEACH

This product is an organic color safe bleaching agent for laundry use. Its economical, stable formula removes stains and whitens linen. This product is designed to do a safe, effective bleaching job on sheets, linens, diapers and other institutional laundry as well as personal colored clothing. Never use a chlorine bleach on colored fabric, wool, or silk.

DIRECTIONS FOR USE

Directions for Use:

Use Dilution: Concentration varies due to environmental conditions and load size. Your chemical specialist will adjust properly to meet your needs. 1) Pre-sort laundry prior to wash. 2) Pre-soak and/or pre-spot laundry when necessary. 3) Place proper amount of soiled linen into laundry machine. 4) In wash cycle, inject a break and detergent directly from chemical container. 5) When bleaching, inject into the laundry machine directly from the chemical container.

NOTE: This product is most effective when used in hot water (150°-160°F) 6) When souring and softening, inject sour and softeners directly from the chemical container. A final pH of 5.5-6.5 is recommended for the linen.

**Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
