Safety Data Sheet

Issue date: 3/21/2021 Section 1: Product and Company Information SANITECH LIQUID BREAK **Product Identifier:** 10824, 10824C Product Code/SKU: Institutional/Industrial Laundry **Recommended Use: Restrictions on Use:** Use only for purpose found on label. **Product Dilution Information** Normal usage range 0.104% - .208% Manufacturer: American Chemical Systems II, LLC 3505 W. 29th Street South Wichita, KS USA 67217 (800)889-3489 americanchemicalsystems.com **Emergency Telephone:** Chemtrec 1-800-424-9300 USA and Canada

Section 2: Hazard Identification

	Product as Sold	Product at use Dilution
GHS Classification:	Corrosive to metals - category 1 Skin irritation/corrosion Eye irritation/eye damage	Not classified
GHS Labeling Element		
Signal Word:	Danger	No signal word
Symbol:		No symbol
Hazard Statement:	Corrosive to metals	No known significant effects or
	Causes skin and eye damage	hazards
Precautionary Statements:		
Prevention:	Wear protective clothing, gloves, and eye and face protection.	Wash hands with water after handling
Response:	-	5
If swallowed:	Rinse mouth, do not induce vomiting.	Seek medical assistance if
If on skin:	Wash with water, remove contaminated clothing.	symptoms persist.
Inhalation:	Remove person to fresh air - administer artificial respiration if not breathing.	
If in eye:	Flush continuously with water - remove contacts and continue flushing with water.	
Treatment:	Seek medical assistance if symptoms persist.	
Storage:	Keep product stored in original container, in an upright position, with container tightly closed.	
Disposal:	Dispose of contents/container according to local/regional regulations.	Dispose of contents/container according to local/regional regulations.
Other Hazards:	None known	None known
Section 3: Composit	ion/Information on Ingredients	
	Product as Sold	Product at use Dilution
Substance/Mixture:	Mixture	
Chemical name	Product Identifier %	
Sodium Hydroxide	CAS 1310-73-2 30 - 60%	Within the current knowledge of the manufacturer and in the concentrations applicable, there are no hazardous

There are no additional ingredients present which, within the current knowledge of the manufacturer and in the concentrations applicable, are classified as hazardous to health or to the environment and hence require reporting in this section. Concentration percentages are given as a claim for a trade secret is being made.

ingredients that would require reporting.

 2 mg/m^3

First Aid Measures: General: If swallowed: If on skin: Inhalation: If in eye: Treatment: Important Symptoms and Effec	Product as Sold Never give anything by mouth to an unconscious person. If you feel unwell, then seek medical assistance. Rinse mouth, do not induce vomiting. Wash with water, remove contaminated clothing. Remove person to fresh air - administer artificial respiration if not breathing. Flush continuously with water - remove contacts and continue flushing with water. Seek medical assistance if symptoms persist.	Product at use Dilution Never give anything by mouth to an unconscious person. If you feel unwell, then seek medical assistance. Seek medical assistance if symptoms persist No known effect after skin contact. Rinse w/ water. No specific measures required. No know effect with eye contact. Flush with water.

Important Symptoms and Effec				
Symptoms/Injuries:	Causes severe skin burns and eye damage. Effects of exposure may be delayed.			
If swallowed:	Ingestion is likely to be harmful and have adverse health effects.	Seek medical assistance if symptoms persis		
If on skin:	Causes skin burns.			
Inhalation:	Symptoms may cause irritation to the respiratory tract.			
If in eye: Recommendation:	Causes eye damage.	Saak madical accistones if armatama parciet		
Recommendation:	Seek medical assistance if symptoms persist	Seek medical assistance if symptoms persist		
First Aid Providers	or concerns are present. All first aid providers should receive proper training before performing any first aid act that would involve personal risk. Wash contaminated clothing with water thoroughly before removal or wear gloves.			
Section 5: Firefightin	g Measures			
Suitable Fire Extinguishing	0			
Media: Special Hazards: Advice for Firefighters:	No special media necessary. Use extinguishing Product is non flammable and is not explosive. Exercise caution when fighting any chemical fire	Product is corrosive to metals as sold.		
	Do not enter fire area without proper protective protection.	e equipment, including respiratory		
Section 6: Accidental	Release Measures			
Personal Precautions:	Initiate company's spill procedures. Do not wal get on skin, in eyes, or on clothing. Put on app			
Environmental Precautions: Methods for Clean Up:	nvironmental Precautions: Avoid runoff into public waterways, sewers, or onto soil.			
	suitable container. Dispose of waste safely. Ri	nse with water for a final clean up.		
Section 7: Handling	and Storage			
Precautions for Safe Handling:	Do not get on skin, in eyes, or on clothing. Do r until all safety procedures have been read and u			
Conditions for Safe Storage:	exposed areas with soap and water after handli Keep product in original container, in an uprigh Keep out of reach of children.			
Section 8: Exposure (Controls/Personal Protection			
Control parameters:				
Ingredient Name	Exposure Limits	0 1/3		
Sodium Hydrox		-		
	NIOSH REL	2 mg/m^3		

OSHA PEL (TWA)

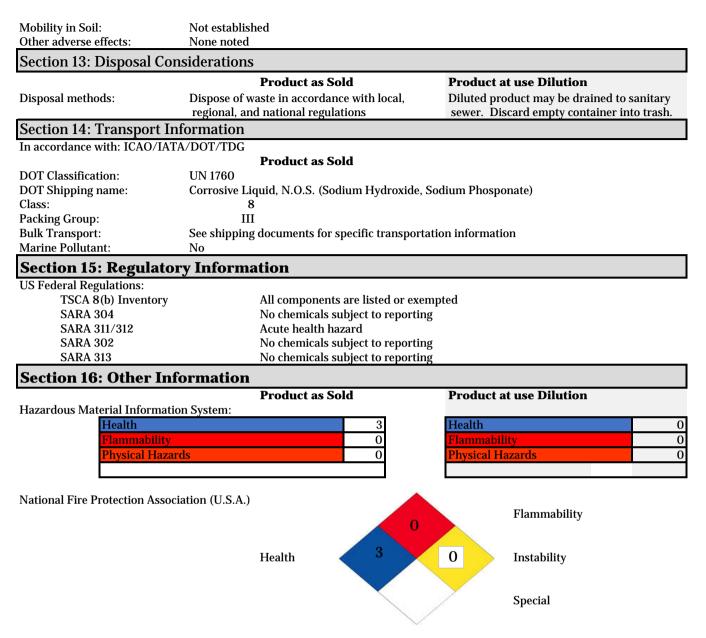

Engineering Controls:	Product as Sold Use adequate ventilation. Keep vapor/fumes below statutory limits. Provide availability to water to flush skin or eyes in case of	Product at use Dilution Normal ventilation should be adequate to control vapor/fumes.
Personal Protection:	exposure.	
	Ween chemical maintaint alarma	None needed under normal use conditions
Hand protection:	Wear chemical resistant gloves	None needed under normal use conditions
Eye protection:	Use chemical splash goggles. For severe exposure, wear face shield.	None needed under normal use conditions
Skin protection:	Wear suitable protective clothing.	None needed under normal use conditions
Respiratory protection:	Not necessary under normal operating and intended use of this product.	None needed under normal use conditions
General:	Wash hands, face, and arms after handling chemi or using restroom. Wash contaminated clothing
